SI VIEW AFTER SCHOOL PROGRAM

The Si View After School Program is offered to students at North Bend, Opstad, and Snoqualmie Elementary Schools. Transportation is provided by the Snoqualmie Valley School District. The After School Program promotes safe, healthy fun in a creative and challenging environment by following the tested and proven SPARK's After School Curriculum. Children will participate in a variety of activities including; imaginative and active play, team building, arts & crafts, cooking projects, nature and outdoor activities, fitness, and sports. Homework time is reserved for the first 40 minutes of each day, where staff are happy to help your child with those tough math problems. The Si View After School Program follows the Snoqualmie Valley School District calendar and will be closed on all No-School Days and school breaks. Participants must register for monthly care by the 25th of the preceding month, after the 25th there is a $20 late fee.
