## STUDENT OF THE WEEK NOMINATIONS

6th Grade  
Curtis Handy\*

## Final Friday Message of School Year. . .

Dear CKMS Parents,

We completed all academic course work this week. Next week is very full! The students will be getting their yearbooks on Monday. Our 8th graders will be rehearsing Monday morning for the evening celebration. On Monday afternoon the students will be having a BBQ lunch outside followed by field day activities provided by the ASB (the **lunch is not free** - regular lunch prices apply). On Tuesday the entire school will be attending field trips. Our 6th grade class will be at Skate King, the 7th grade will be at the Woodland Park Zoo, and the 8th grade class will be at Wild Waves. The last day of school is Wednesday with students being dismissed at about 10:50am. Everyone is very excited for the final three days of events. We have been stressing good behavior during the past several weeks. Students have a good understanding that if poor choices were made some of the year end activities would be missed. For the most part everyone has been towing the line during these final weeks of the school year.

Looking back, it really has been a very good year. The students have been so much fun to be around. We have seen a lot of social and emotional growth during the school year. It was nice to see students step up and take on leadership roles, and to see how they supported their peers. Academically as a whole they are ready for the move to the next grade level. A big thank you to our parents for your support, understanding, and connections you have shown to our school during the year. We could not have done all we did without you.

Our office will remain open through July 2nd. If you have questions prior to that date please contact us. We will be checking voice mail and email throughout the summer. The main office will open again on August 24th.

Remember that this weekend is Fall City Days. Many of our students will be participating in the parade, 3-on-3 basketball, Fun Run, or volunteering their time to support the event. Chief Kanim Middle School is proud to be a part of such a great community event.

Have a great weekend and a wonderful summer break!

**\*Due to state funding cuts in education, the Snoqualmie Valley School District cut two-thirds of the extra-curricular budget for middle school students. The cuts, though designed to avoid losing more teachers, leave a great deal of uncertainty as to what programs and sports the middle schools can offer next year. Join us to raise funds for after-school sports and clubs for our kids!**

Do you wish to donate to help out the middle school extra-curricular budgets but cannot enter the tournament? Contact Betsy Evensen. Thank you!

## Lost & Found

Lost & Found items are displayed in the main hallway. Please stop by and check for your student's missing stuff!  
ALL items will be given to charity on the 25th.

## Student Travel

If your student is traveling this summer and has lost or misplaced their school ID (ASB card), replacement cards can be obtained immediately in the school office. The cost is \$7, checks payable to CKMS.

## Businesses Opportunity to Support PTSAs

A local community website, [www.SnoqualmieRidge.org](http://www.SnoqualmieRidge.org), is partnering with PTSA to offer a special opportunity for businesses across the district -- to support our schools while marketing their products and services to Snoqualmie Ridge residents.

When businesses purchase a banner ad on the [www.SnoqualmieRidge.org](http://www.SnoqualmieRidge.org) website for \$100 per year or \$1000 per year, **the entire payment goes directly to a local PTSA organization of the advertiser's choice.** This contribution, in turn, is used to benefit our schools and

children.

To participate, REGISTER at [www.SnoqualmieRidge.org](http://www.SnoqualmieRidge.org). Upon signing up, you will be asked to select a school PTSA and send payment directly to them. The website's staff will provide banner ad creation free-of-charge.

"We truly appreciate the support provided Snoqualmie Valley schools through this creative banner ad promotion by SnoqualmieRidge.org," stated Superintendent Joel Aune. "During this time of budget cuts from the state, we value the extra support from each business who participates in the program. The payment for each banner ad goes directly to a local PTSA, which in turn supports your schools and children. Thank you!"

[www.SnoqualmieRidge.org](http://www.SnoqualmieRidge.org) is a non-profit website that provides community news, events and resources to about 3500 families and homeowners in the Snoqualmie Ridge master-planned community. The website does not accept payments or donations of any kind. Instead, this program was created to generate support for Snoqualmie Valley public school PTSAs from businesses who want to market their services to Snoqualmie Ridge consumers.

Thank you for supporting our students!
