Nominate a CKMS Teacher...

The Snoqualmie Valley Schools Foundation is seeking your nominations for Educator of the Year Award. CKMS has never had a nomination, yet I feel we have some of the best teachers in the district. Please go to the foundations website SVSFoundation.org to nominate a CKMS teacher.

Conferences concluded on Tuesday evening. We were pleased with our turnout and feedback from parents in attendance was very positive; 83% of our parents participated (275 parents out of 332 students). We are busy tallying the results of the surveys parents took at conferences. The survey is also accessible via the following link [Online Survey](#). We will publish results following the Thanksgiving break.

We want to thank our many parent volunteers for their assistance during our Book Fair. We could not have run such a successful Book Fair without your support. The funds raised during these Book Fairs allows us to purchase hundreds of books for our library.

We would also like to thank the many folks who provided dinner for our staff on Tuesday between conferences. It was delicious!

The CKMS food drive finished up on Wednesday morning. Our Key Club did an excellent job of promoting and collecting the items each day. The Fall City Food Pantry will be getting hundreds and hundreds of pounds of food donations. A big thanks to our students and families for their generosity.

I hope everyone has a safe and restful Thanksgiving break.

Kirk Dunckel
Principal

College Bound Scholarships

It's not too late to get information and sign up for College Bound Scholarships!

The College Bound Scholarship provides hope and

WASHINGTON
COLLEGE

incentive for students and families who otherwise might not consider college as an option because of its cost.

The amount of the scholarship will be based on tuition rates at Washington public colleges and universities and will cover the amount of tuition and fees (plus \$500 for books) not covered by other state financial aid awards.

Low-income 7th and 8th grade students who sign a pledge by June 30 of their 8th grade year are eligible. Students promise to graduate from high school, demonstrate good citizenship, and seek admission to a college or university. Family income will be re-checked and college admission confirmed after the student graduates from high school. For more information click [here](#).
