Pennies for Patients Program begins...

The annual Pennies for Patients coin drive began this week. Every March Chief Kanim Middle School assists the Leukemia & Lymphoma Society by collecting money. We had two former CKMS students with this illness, one passed away and the other is doing well and attending college. During the past six years we have raised \$25,000. We hope this year to raise around \$3,000. We will collect classroom donations each Friday and announce grade level winners each Monday. If your employer offers "matching funds" for charitable donations now would be a great time to help support CKMS and the Leukemia & Lymphoma Society. Please contact Terri Pratt at (425) 831-8227 for information regarding the "matching funds".

On Monday we held our March fire drill. We had great weather and everything went very smoothly for this drill. Next month we will be doing an intruder alert drill.

The staff and students will be practicing over the next two months for the new online state MSP tests that will be taken in May. Students will practice using online demo's and staff will take online tutorials to better assist our students during the testing time. We are confident that the intervention classes our students have been taking in the areas of math and reading will benefit them on these tests. Our hope is that our students will be prepared to give their best efforts in May.

The Legislature should end their session on March 11th. As the educational budget picture becomes clearer our district will be providing information to you. We should have a better idea of our budgets and programs in April. I will be sharing how the budget will effect CKMS as the information is given to me. In the meantime, there is lots

of great information on the Snoqualmie Valley School District website.

8th grade students and parents had the opportunity this week to learn more about freshmen high school registration. There was a Parent Future Freshmen meeting at Mt Si on Tuesday and the Mt Si Counselors were here on Thursday. I know the kids were really excited to hear the information provided by the MSHS counselors. If your student will not be attending Mt Si High School next year please call Carol at (425) 831-8228 and let her know.

Good luck to all our music students this Saturday as they participate in their music ensembles.

Have a great weekend
