Spring Break April 3-11...

I think everyone at Chief Kanim is ready for the upcoming break. The kids and staff have really been working hard during this quarter, which ended today. The break will give us all a chance to re-energize for the final quarter, which will include the very important State MSP tests in May.

The Music Booster Club is having a movie night tonight in our commons at **6:30p** (note time change due to length of movie). They will be showing *Pirates of the Caribbean*. The cost of \$5 will get you in the door and a concession stand will be open during the movie.

We welcomed back Mr. Henderson this week. He has been out on leave since his wife gave birth to their first child. Mrs. Frank will return April 19th from a leave for a shoulder surgery. During their absences we have had very good long term subs in their classes.

Recently, the media has shared stories of middle school students using body sprays and lighters to temporarily light themselves on fire. We have made the students aware of the concern and the consequences that would follow if any CKMS student did such a thing on campus. Please do not send your child to school with body sprays or perfumes.

We had a very spirited assembly on Friday celebrating our 3rd season sports teams and clubs and looked ahead to our 4th season teams. Part of the assembly included students and staff competing in a variety of Minute to Win It stunts. The egg roll with a pizza box was fun, as was the moving an Oreo cookie from forehead to mouth without touching the cookie. The assembly left everyone laughing and smiling heading into the Spring Break.

Hawks in Uganda!

Chief Kanim Athletics recently donated out-of-date basketball uniforms to an elementary school (through 7th grade) in Kassandra, Uganda (Mubende District). No other school in the district has sports uniforms, so the children are thrilled! Thank you to Mr. Fowler, AD, and our ASB Council.
