Yearbooks passed out June 11th...

I am very impressed with the way staff are keeping the students focused right up to the end of the year. As I walked into classrooms this week I observed students working hard and staying focused on the day's lesson. This is not an easy task at this time of the year with only about a week of school left.

We will be cleaning out lockers next week so encourage your children to bring home all PE gear and items in their lockers. We also have accumulated a large amount of lost and found items. Drop by the school to look over the clothes and shoes before we send them to Goodwill on June 18th.

All fines, overdrawn lunch accounts, and fees need to be paid by June 9th. Students who are on this list have been notified for the past 2 weeks. Failure to pay the balance owed will result in loss of the June 10th field trip. Remember that the balances owed do roll up to the next school whether the student is attending CKMS or MSHS next year.

Our track and golf club finished up there seasons this week. Both groups enjoyed much improvement during the spring season. The school bands and choirs will host their final concerts on June 8th. The music program at CKMS has really blossomed under the direction Ms. Franzwa.

We will be celebrating our second semester accomplishments on June 14th with grade level recognition celebrations. Our students have done well this year and these celebration ceremonies are a highlight for our parents and students.

Students will be getting yearbooks next Friday, June 11. We will be encouraging all students to write only appropriate messages in the yearbooks. Parents please remind your child about this request as well. Students writing inappropriate messages in yearbooks will have consequences and will have to cover the replacement cost of the yearbook.

Student Fines

As we approach the end of the year, students may incur fines from overdue library books, lost/damaged textbooks, overdrawn lunch accounts or unpaid student fees. Per our school policy, students with fines or unpaid fees will not be allowed to participate in the end of year field trips.

All library books are now considered overdue; the last turn in day was Wednesday, May 26. Library fines are posted on the media center window. Please encourage your student to check the list as soon as possible.

Textbook fines are issued by the classroom teacher; the student is given a fine slip in class, they are not mailed home.

Any student with an outstanding fine at the time of yearbook distribution will not receive their yearbook until the last day of classes. A list of students who have purchased yearbooks is posted at the Finance Window. We still have yearbooks for sale. \$30 each, checks payable to CKMS.

June 10 Field Trips

June 10 is our Annual Field Trip Day. This year, all trips are no charge to the students due to outstanding year-long fundraising efforts by the students. Click on links for information and permission slips for each trip:

8th Grade: [Wild Waves](#) (late return)

7th Grade: [Woodland Park Zoo](#). Chaperones Needed! Depart CKMS at 8:15, return 2:15. Contact your student's SSR teacher or [Paula Young-Keeffe](#) if you are interested in helping out.
