### Teachers participate in district directed early release....

This afternoon our teachers met with other secondary teachers in the district for collaborative discussions around curriculum. We are so lucky to have this opportunity. The staff meets in their curricular area and will bring back the information to use in their classrooms. This approach has worked extremely well in our district, getting all three of our middle school curriculum practices aligned.

It was nice to see so many students attend the first dance of the school year last Friday evening. The kids really seemed to enjoy the event. Thanks to the many parents who attended the dance as chaperones.

This week we held a new student breakfast for all our "New to the District and Transfer" students. They were treated to a breakfast Wednesday morning and got to introduce themselves to the other new students. They each got to share where they moved from and what they liked about CKMS. The majority expressed that they loved the teachers and the many options CKMS has for them.

Our Mentor Program got off the ground this week with our 8<sup>th</sup> grade mentors assisting all 6<sup>th</sup> graders take a quick 10 question Feelings survey. We will use the data to make our 6<sup>th</sup> grade students feel as comfortable as possible. Each month our mentors will have a new theme to dialog with our 6<sup>th</sup> grade students.

In October our 6<sup>th</sup> and 8<sup>th</sup> grade students will participate in the Healthy Youth Survey. We use the results of this survey to help guide our school goals and action plans. This is an anonymous survey and you can get information about the survey by using the link in this email and on our school website.

The Rosetta Stone software we are using for our technology Spanish Language class is showing some great gains by our students. All three middle schools are using this software in their technology classes.

Enjoy what looks to be a nice weather weekend.

### **FCE Needs Help...**

Primary teachers at Fall City Elementary are looking for a dedicated group of kids that want to be mentors to younger children and help teachers as well. If your son or daughter enjoys children, is allowed to walk to FCES after school, can be picked up at 3:25 by a parent, and can commit to one day a week, please contact Colleen Myers at [myersc@svsd410.org](mailto:myersc@svsd410.org). Leave your contact information and the day you can commit and I will be in touch. Feel free to e-mail with any questions as well. We could have up to 5-6 kids a day so there is opportunity for many. We would love to have the support and the young kids really enjoy having big buddies!
