Band Booster Dance Tonight 7p.....

This was a great week at Chief Kanim. We honored Veteran's Day with an assembly on Wednesday afternoon. I was so proud of our students and their behavior during this assembly. There was a special tribute to former CKMS student, Eric Ward, who was killed in action last year while serving in the U.S. Marine Corps. Our war Veterans were so proud to be a part of our assembly. The students gave them a standing ovation and were able to take time at the end to pass by and shake their hands.

Today, we invited parents in for our annual end of the first quarter recognition ceremony. We recognized students for their academic accomplishments, attendance, community service, students of the week and month, and presidential fitness. It was well attended and the students were so proud to receive their awards.

We have a Band Booster Dance tonight at 7p. The Seattle Blue Thunder Drum Line will be making an appearance at the dance. It should be a very fun evening. Students can bring a middle level friend to this dance. There is a \$5 cost and we will be having a concession stand during the dance.

Our Key Club is asking students to bring food items during the month of November. All donated items will be given to the Fall City Food Pantry.

Our Book Fair will be starting next week and run throughout our conferences which begin next Friday and end on Tuesday, November 23rd.

The intervention classes have gotten off to a great start for our Math and Reading students. Our teachers used last Friday to prep and dialog about our programs.

PTSA NEWS

Come to the PTSA general meeting! Wednesday, Nov. 17th, 6:30pm.

Meeting will be in the 7th grade science room, due to the Book Fair taking place in the Library.

* Learn about the School District Bond coming up in February and what it means for you!

How much is the Bond?
What is included in the Bond?
What does the bond mean for my child if they will be in Middle School if and when the new Replacement Middle School opens?
What will happen if the bond doesn't pass?
Vote on endorsing and/or supporting the bond.

* Questions about the plan to convert SMS to a Freshman Campus?

When will it happen?
What will the programming look like?
What if my child needs one or more 10th - 12th grade classes freshman year?
What new opportunities will a Freshman Campus provide?

MSSH Principal Randy Taylor and Assistant Superintendent Don McConkey will be on hand to explain and answer your questions.

* Vote on approving approximately \$12,000.00 of classroom and school-wide CKMS PTSA Grants.

There are enrichment materials, programs, and technologies that better our students' academic experiences. Teachers know what they need to make their subject areas more enriching and engaging. But school budgets are tight, and schools cannot afford to buy them.

To help, CKMS PTSA sponsors a grant program to make teachers' visions a reality for our children. This grant program is possible thanks

to CKMS's generous families and community. For a complete list of proposed grants please click here. <http://ckmsptsa.org/grants.asp>

The Book Fair is coming to CKMS this Monday, complete with a great selection of books!

At this year's Book Fair you'll find the latest and greatest titles for kids and teens, as well as books of interest to parents. This is a great way to get a head start on that holiday shopping. CKMS will be holding the Book Fair in the CKMS Library from November 15 to 24, with special 6pm - 8pm evening hours on the 17th. See the Book Fair home page <http://bookfairs...scholastic.com/bookfairs/cptoolkit/publish/chiefkanin> for additional details.

Farmhouse Market Receipts

Don't forget to save your Farmhouse Market receipts. CKMS PTSA receives 2% of all purchases. Turn them in to the PTSA box in the office.
