Parent/Teacher Conferences Begin.....

Today we start our Parent / Teacher conferences. School is dismissed each day at 10:58 am, and we will not be serving lunches to students on conference days. When attending conferences try and come on the day assigned to your last name. If you can't don't worry, come on a day that will meet your busy schedule. We will be having four sessions. The sessions on Friday, Monday, and Tuesday will begin at 11:30am and end at 2:45pm. We will have one evening session on Tuesday from 4pm-7pm. There will be no conferences on Wednesday.

Our 6th grade teachers will be conferencing in their classrooms and all other teachers will be located in the commons. The format is first come, first serve. Chairs will be available while you wait for a teacher. Please try and keep the conference time with each teacher to about 10 minutes, this will ensure you getting done in about an hour. We will have a short parent survey for you to complete while you wait to conference with the teachers. There will be information regarding the upcoming February Bond Election and the Library will be open with our Book Fair.

This week we had our annual Talent Show. Over 30 students auditioned for our show. We selected 12 acts to perform. The kids did a great job singing, dancing, and playing the guitar and piano. The event was well attended by families and friends. A big thank you to our student MC's, Ms. Franzwa, and Ms. Young-Keeffe for ensuring the event went smoothly.

Five administrators from our district visited our school on Wednesday morning for about 3 hours. They dropped in on classrooms looking at teacher lessons for rigor, relevance, and student engagement. In their debriefing session they were very impressed with what they saw in our classrooms. I am extremely proud of our staff and students at our school. Each and every day they are doing great things to improve their teaching and learning.

Today we learned that two of our staff passed their National Board Certification. Congratulations to Paul Dobberfuhr and Catherine Fredenburg. This is a very big deal for teachers and we are very proud of their accomplishment.

Our second sports teams have been busily preparing for their upcoming games and matches. A reminder that we have several ongoing after school clubs that kids can participate in; Key Club, Art Club, and Sign Language Club are currently meeting weekly.

Enjoy your weekend,

**Kirk Dunckel
 Principal**
