Rehearsals @ SMS
Performance @ MSHS Aud.

Date: 12/19/08
Time: 7:00

Instrument rental is available
for this fun musical
opportunity.

Why Adult Holiday Band?

As a band director I constantly am told by parents and friends that they played in band in middle or high school and really miss doing it. The second thing I regularly hear is that there is no way that they could remember how to play anymore. With great joy I can tell you that if you are feeling that way, you are mistaken! Whenever I have had the pleasure of working with adults wanting to restore their ability to play, they have invariably found that they remembered much more than they thought they would. They see the notes, and their fingers magically push the same buttons that they pushed 20 or 30 years before.

OK, your fears are dashed, NOW

Picture a concert where children are in the audience and YOU are on stage. How fun is that? They can reassure you before the concert, make sure you are in correct concert attire, and take you out for ice cream after the performance. What a great teaching opportunity for them to see from the parents perspective what is involved in preparing and pulling off a performance. How good to see parents who never stop learning and/or are willing to be goofy!

I Don't have an instrument!

We have talked with Snoqualmie Ridge Music and they are going to be offering a 6 week rental for the price of one month! You could also use your child's instrument (if it is the same as yours!). Please remember if you are digging something out of the attic you may need to get it looked at by a repair person. The music stores in the greater Seattle area all have repair facilities to help.

Rehearsal Schedule:

Rehearsals will all be held in the SMS music room. November 17, 24 Dec. 1, 8, 15

Time to blow the dust off your old horns!

Rehearsals will run from 7 to 8:30 PM

The performance on Dec. 17th will be in the auditorium at Mt. Si High School.

Do I have to be a parent of an SMS student?!

NO! All adults are encouraged to join the community band. The only requirement is that you are 18 or older.

Literature:

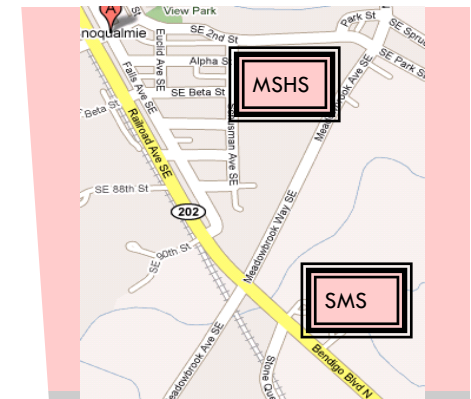

We will be performing several holiday arrangements for young bands. I am in process of selecting our concert pieces. If after the first rehearsal we determine that the level of the music is not equal to the abilities of the ensemble (too hard or too easy), we will reconnoiter and hand out more at the next rehearsal. Our goal is to prepare 4-5 pieces of music for performance. If you have suggestions of some gems from your band experience, please feel free to send those to me!

Snoqualmie Middle School Music Boosters Association

The SMSMBA is a 501c3 non-profit organization committed to the continued support of music at Snoqualmie Middle School.

This year, the SMS MBA is putting energy into increasing community participation in music. This community band is the first step towards what will hopefully become several opportunities to create music throughout the Snoqualmie Valley. If you would like to be a part of the SMS MBA, please contact them at:
