Donate four cans and see a **FREE** movie for a date night at the ...

'CANS' Film Festival!

Here's an easy way to lend a helping hand to Snoqualmie Valley families this fall!

On **Tuesday, Nov. 18**, the PG-rated 2008 movie "**The Secret Life of Bees**," starring Dakota Fanning, Jennifer Hudson and Queen Latifah, will get a special showing to benefit families at the North Bend

Theatre, 125 West North Bend Way.

Admission is a donation of just **four non-perishable food items** (which is why it's called the "CANS" Film Festival) or **\$10** cash.

Childcare will be available for \$5 per child at the Encompass Main Campus during the movie. Take advantage of this terrific date-night opportunity! (Childcare space is limited, so reservations are advised.)

All donations benefit the 2008 Encompass **Respectful Giving Campaign**. Join us!
