Calling all first- and second-graders for ...

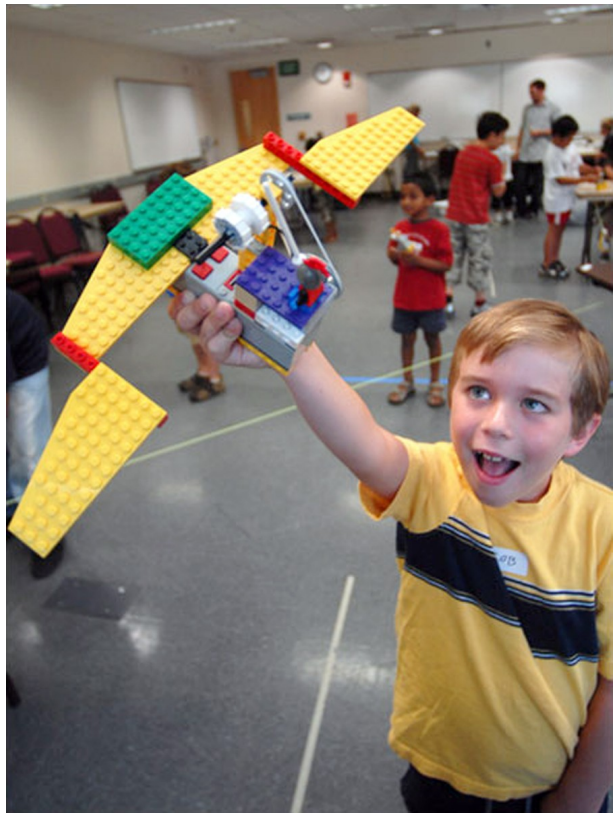

## *The Ultimate LEGO Experience — presented by Play-Well!*

**B**uild a town, city or star base with houses, buildings, pyramids, bridges, tunnels and towers!

**B**uild motorized cars, trains, buses and trucks! **R**ace them, **c**rash them and **r**epair them!

These are among the endless possibilities your first- or second-grader can explore with the LEGO building system at The Ultimate LEGO Experience on **Saturday, March 7**, presented by **Play-Well TEK**nologies! Children will use useful construction techniques that will prepare them to design and build everything from motorized machines to demolition derby cars to truss bridges and buildings.

This **five-hour workshop** is the very definition of **hands-on** and **minds-on**. (And it's not affiliated with the LEGO Group.) Here are the details:

## *The Ultimate LEGO Experience!*
